

## At the heart of care

### About Us

### Our Services

**Dignity, respect, and compassion are at the heart of everything we do.**

We are a Care service provider in West Midlands. Passionate about supporting people living in their own home needing supported living. We help you live the best possible life.

Our compassionate caregivers are driven by a desire to make a positive impact on those they care for. Our meticulous screening process selects only the most qualified individuals, including personal interviews, competency testing, and comprehensive background checks.

#### LIVE IN ASSISTANCE

We provide a fully trained carer to live with you in your home. Your live-in carer will support you with your specific needs to keep you comfortable and independent at home.

#### SUPPORTED LIVING

This service is designed to help you with a wide range of support needs to retain your independence by being supported in the comfort of your own home. Special plans are designed to suit the needs of each individual client.

#### RESPIRE SERVICE

We provide short-term relief for primary caregivers. This can be arranged for just an afternoon or for several days or weeks depending on your needs.
